A LETTER FROM THE VICE PRESIDENT

On January 20, 2021, Zonta Club of Parker County held our annual Amelia Earhart Scholarship Luncheon. With over 100 people in attendance, we raised approximately \$6,000 for scholarships for Parker County women and girls going into STEM, Business, Public Affairs and more. In addition to the scholarship funds we raised, we were able to showcase our Z and B community partners: Center of Hope, Freedom House, Children's Advocacy Center, and Sanctified Hope.

Our keynote speaker, Captain Tammie Jo Shults told her story about being one of the first women in Navy combat training through to her times as a Captain at Southwest Airlines. Her story about landing the Boeing 737 after an engine exploded was captivating. For me, the most memorable things she said were first, "We don't need more women in the seats because of the number, we need more women in the seats because women add a different perspective."

Second, "When bad things happen, people will revert to their training. That day was not the first day those heroes acted like heroes. They just reverted to their training, their practiced habits." I loved her entire talk.

Below is a link to her book at Barnes and Noble. Hopefully this makes it easy for you to order her books and have them delivered directly to you. If you would like a personalized autographed name plate for your book, please let me know. Tammie Jo has offered to sign and send nameplates in a bundle to me. I will distribute them as needed.
