A letter from the President -

Despite Covid, we are trucking right along! We have had successful fundraisers this fall and hope to continue on with an amazing Amelia Earhart luncheon planned for January 20th. Thanks to each and every member for participating in the 16 days of Advocacy. I feel that we were able to impact our community and brought more awareness to our club this year. Please keep bringing guests to our meetings and events - we are excited to see our club grow!
